Who will attend and who will your message reach?

The Third International Conference of Fashion incubators will offer new opportunities for fashion business educators and fashion trade events from around the globe to network, discuss best practice and expand global designer marketing and promotional opportunities. The Conference will aim to build on past successful conferences of International Fashion Incubators held in UK and USA. It will assist the growth and development of fashion industry business educators and those that nurture and support emerging designers, as well as elevating Perth on the international fashion stage.

The event will also launch an International Fashion Incubator Organisation that will form strategic alliances, share networks and develop new opportunities for Fashion Incubators and its designer members.

FASHION INCUBATOR + EDUCATORS + FESTIVALS + TRADE EVENTS + FASHION WEEKS
