Belmont Small Business Awards

Belmont Small Business Awards a success

Congratulations to all the finalists and winners of the 2011 Belmont Small Business Awards.

In its eighteenth year that the business awards have run they provide a fantastic opportunity for small and growing enterprises in Western Australia to be recognised for their achievements.

Winners were showcased at the Night of Stars Event at Burswood

Entertainment Complex on Thursday, 10 November 2011.

Previous winners have found the Awards a fantastic launching pad to bigger and better things and this year's Awards will be no different.

Carol Hanlon, Manager of Belmont Business Enterprise Centre mentioned that once

again the number and quality of entries received was excellent and a big thank you to the judges, who deliberated over all the applications.
